## Discover the 'Logan Saga' exhibition at l'Atelier Renault on the Champs-Elysees, Paris

With the countdown to the 2008 Paris Motor Show well underway, L'Atelier Renault is about to open a new exhibition which takes a look behind the scenes of the 'Logan Saga' which has gone on to become an astonishing global motor industry success story. Among the famous cars: Logan Renault eco<sup>2</sup> Concept which came second in last November's Challenge Bibendum in Shanghai, China, with an average fuel consumption score of 2.72 litres/100km, equivalent to CO2 emissions of just 71g/km!
