## French dealerships show off new Renault model !

France's motoring public has the opportunity to discover the new Mégane and the new Mégane GT at close quarters at showrooms nationwide. Customers can also book test drives of this fourth generation of the model which packs even more appeal and technology.

To coincide with the launch of the new Mégane, Renault Press has commissioned a collection of photos of the model as seen through the eyes of the French automotive photographer Dingo.

This opportunity to view the new Mégane to such a unique backdrop highlight the car's numerous signature features:

- Elegant styling and technology... The new Mégane brings a suite of equipment and technologies normally associated with more expensive segments to a much broader audience.
- A comprehensive choice of engines.
- The new Mégane GT bears the hallmarks and influence of Renault Sport, combining sporty performance with driving enjoyment, thanks to its 4CONTROL chassis with four-wheel steering.
