Geneva International Motor Show: Renault unveils its vision of shared urban mobility

At Geneva International Motor Show, Renault will unveil its vision of shared urban mobility; driverless, electric and connected. After introducing last year its vision of personal owned mobility with [Symbioz Concept](#), Renault completes today with **EZ-GO Concept** its vision of the future of mobility, based on both car ownership and shared mobility options.

Rendez-vous **Tuesday, March 6th, 2018**
at **9.00 AM**
Renault **Booth**
Geneva International Motor Show
