RENAULT DUSTER TO BE MADE BY SOFASA IN COLOMBIA

Patrick Pélata announced during his visit to Colombia in March that the SOFASA plant would start making Duster under the Renault brand in 2012. It is aimed to both produce and sell the model internationally. Like Logan and Sandero, Duster is gradually being launched in various world regions. Made in Pitesti since April, Renault Duster will be manufactured alongside Logan, Sandero and Sandero Stepway at the Curitiba plant in Brazil from 2011. Production will start at the Avtoframos plant in Russia in 2012.
