Renault reveals Latitude in Moscow and announces local production of Duster, Mégane and Fluence

Renault is introducing Latitude for the first time at the Moscow International Motor Show. Renault is also launching the following new models to the Russian market: Duster, the new automatic Logan, Sandero and Sandero Stepway (complete knock down, CKD), as well as Fluence sedan and Mégane hatchback (semi-knock down, SKD). These vehicles will be produced locally from 2010-2011.
