Renault to display around 30 LCV conversions at the 2015 Solutrans trade show near Lyon, France

The Solutrans trade show for the road and urban transport industry takes place this week near Lyon, France, on November 17-21, 2015.

Renault has a 1,800 square-metre stand at the show where around 30 converted Kangoos, new Espaces, Trafics and Masters will be on display. The wide variety of conversions carried out by Renault and the brand's approved bodybuilders extend from an ambulance to a food truck, cherry pickers and refrigerated vans.

Renault's stand (4 K 080) is in Hall 4 of the Eurexpo exhibition centre near Lyon. More than 37,000 visitors are expected to attend.
