

# **RENAULT MORPHOZ WINS EXPERIENCE CREATIV' AWARD AT FESTIVAL INTERNATIONAL AUTOMOBILE**

**THE FESTIVAL INTERNATIONAL AUTOMOBILE HELD ITS 36<sup>TH</sup> AUTOMOBILE  
GRAND PRIZE AWARDS**

**RENAULT MORPHOZ CONCEPT CAR AWARDED FOR ITS CREATIVITY**

**LAURENS VAN DEN ACKER RECEIVES THE CREATIV' EXPERIENCE AWARD  
FOR THE MORPHOZ CONCEPT-CAR**

Renault MORPHOZ is a futuristic vehicle that represents Renault's vision of individual, shared electric mobility beyond 2025. It harnesses the Alliance-built CMF-EV modular electrical platform to offer several configurations of power, capacity, range, space, and luggage compartment volume.

**THE MORPHOZ CONCEPT CAR WINS THE CREATIV'EXPERIENCE  
AWARD**

Awarded by a jury of experts and aficionados from motor sports, architecture, fashion, design, culture, and the media, the Festival Automobile International Grand Prizes honour the most stunning automotive and artistic projects from the previous year.

In light of the exceptional circumstances of the global pandemic, the 36<sup>th</sup> ceremony was organised in a different format. The Concept Cars & Automobile Design exhibition took place on-line from January 27<sup>th</sup> to February 7<sup>th</sup>, with a never-before seen set up for the presentation of concept cars, super cars, and exceptional cars alike.

## COMMUNIQUÉ DE PRESSE

Renault MORPHOZ received the Creativ' Experience award in recognition of being the most innovative concept car. Laurens van den Acker will receive the trophy at a Grand Prize awards ceremony on Wednesday, September 29<sup>th</sup>. Renault is proud to be rewarded for its creativity. This award is an acknowledgement of the teams who have worked on the ambitious project that highlights certain aspects of cars of the future
